Dear Shareholder

### **2024 Annual General Meeting**

#### **Introduction**

I enclose, in part 2 of this document, the formal notice of the Annual General Meeting of the Company which is to be held at the registered office of the Company at Vertu House, Fifth Avenue Business Park, Team Valley, Gateshead, Tyne and Wear, NE11 0XA at 10.00 a.m. on 25 June 2024.

I hope to see as many of you as possible at the AGM, which is the main opportunity each year for the Board to engage with Shareholders, to answer your questions and to listen to your views.

#### **Summary of the resolutions to be proposed at the Annual General Meeting**

At the AGM, the following resolutions will be proposed:

##### **Resolution 1 – Annual Report and Accounts (ordinary resolution)**

Company law requires the Directors to present to Shareholders the Company's and Group's annual accounts for the year ended 29 February 2024, together with their report and the auditors' report, all of which are contained within the Group's 2024 Annual Report.

##### **Resolution 2 – Reappointment of the auditors (ordinary resolution)**

The Company is required to appoint auditors at each annual general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. The Audit Committee has assessed the effectiveness, independence and objectivity of the external auditor and concluded that the auditor was in all respects effective. Accordingly, at the AGM, Shareholders will be asked to confirm the re-appointment of PricewaterhouseCoopers LLP as the Company's auditors.

##### **Resolution 3 – Authority for the Directors to fix the auditors' remuneration (ordinary resolution)**

This resolution will authorise the Directors, in accordance with standard practice, to negotiate and agree the remuneration of the auditors.

##### **Resolution 4 – Declaration of a final dividend (ordinary resolution)**

Shareholders are being asked to approve and declare a final dividend of 1.50p per Ordinary Share for the year ended 29 February 2024. If approved and declared at the AGM, the final dividend will be paid on 26 July 2024 to all holders of Ordinary Shares on the register of members of the Company at the close of business on 28 June 2024.

##### **Resolutions 5, 6 and 7 – Re-election of Directors (ordinary resolutions)**

The articles of association of the Company require that, at the AGM, newly appointed Directors and any Director last elected three AGMs ago shall retire by rotation. At the AGM, David Gillard will retire and offer himself for election, having been appointed to the Board in January 2024. Jonathan Mewett will also retire and offer himself for re-election as announced after last year's AGM and David Crane will retire and will offer himself for re-election. Resolution 5 proposes the election of David Gillard as a Director and resolutions 6 and 7 propose the re-election of Jonathan Mewett and David Crane respectively, as Directors. Ken Lever will retire at the AGM and stand down as Non-Executive Director

of the Company. Biographies of the Directors can be found in the Annual Report and Accounts and on the Company's website: [investors.vertumotors.com](http://investors.vertumotors.com).

#### **Resolution 8 – Approval of the Directors' Remuneration Report (ordinary resolution)**

The purpose of resolution 8 is to approve the Directors' Remuneration Report, set out on pages 73-77 (inclusive) of the Annual Report and Accounts for the year ended 29 February 2024.

The Directors' Remuneration Report is presented for an annual advisory vote so that Shareholders vote by way of ordinary resolution to approve the Directors' remuneration for the relevant financial year and how the Remuneration Policy (set out in the Remuneration Committee Report) will be implemented in the following financial year. The vote is advisory in nature and no entitlement to remuneration is conditional on the passing of the resolution.

#### **Resolution 9 – Authority to allot shares (ordinary resolution)**

This resolution proposes to grant the Directors authority under section 551 of the Act to allot Relevant Securities. If passed, the resolution will authorise the Directors to allot up to a maximum aggregate nominal value of £20,500,000, representing approximately two-thirds of the Existing Share Capital less an amount to allow for the previously announced buyback programme to be continued, but subject to the proviso that half of such sum (being shares with an aggregate nominal value of £10,250,000) may only be allotted in connection with a rights issue or similar pre-emptive share issue.

Resolution 9 replaces the authority to allot shares passed at the annual general meeting of the Company held on 28 June 2023.

As at close of business on 14 May 2024, the Company did not hold any treasury shares. The Directors have no present intention to exercise the authority conferred by this resolution.

This resolution complies with the Investment Association Share Capital Management Guidelines issued in February 2023.

In this resolution, Relevant Securities means:

- shares in the Company, other than shares allotted pursuant to:
  - an employee share scheme (as defined in section 1166 of the Act);
  - a right to subscribe for shares in the Company where the grant of the right itself constitutes a Relevant Security; or
  - a right to convert securities into shares in the Company where the grant of the right itself constitutes a Relevant Security; and
- any right to subscribe for or to convert any security into shares in the Company other than rights to subscribe for or convert any security into shares allotted pursuant to an employee share scheme (as defined in section 1166 of the Act). References to the allotment of Relevant Securities in this resolution include the grant of such rights.

#### **Resolutions 10 and 11 – Disapplication of pre-emption rights (special resolutions)**

Resolutions 10 and 11 ask Shareholders to grant the Directors authority to allot equity securities or to sell treasury shares for cash in connection with a rights issue or otherwise, on a non pre-emptive basis. The resolutions will, if passed, give the Directors power, pursuant to the authority to allot granted by resolution 9, to allot equity securities (as defined by section 560 of the Act) or sell treasury shares for cash, without first offering them to existing Shareholders in proportion to their existing holdings: (a) in relation to pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities or as the Directors otherwise consider necessary, up to a maximum nominal amount of £10,250,000 which represents approximately one third of the Existing Share Capital less an amount to allow for the previously announced buyback programme to be continued and, in relation to rights issues and pre-emptive offers only, up to a maximum additional amount of £10,250,000 which represents approximately one third of the Company's Existing Share Capital less an amount to allow for the previously announced buyback programme to be continued; and (b) in any other case, up to a maximum nominal amount of £3,075,000 which represents approximately 10% of the Company's Existing Share Capital less an amount to allow for the previously announced buyback programme to be continued, to be used on an unrestricted basis, a further £3,075,000 to be used for an acquisition or specified capital investment, and a follow-on offer to existing holders of securities not allocated shares under any of the other offers described above.

These resolutions are in line with guidance issued by the Investment Association (as updated in February 2023) and the Statement of Principles and the template resolutions published by the Pre-Emption Group in 2022.

These resolutions replace the authorities granted to the Directors at the annual general meeting of the Company held on 28 June 2023.

In compliance with the Statement of Principles, the Directors confirm that they will not allot shares for cash on a non-pre-emptive basis pursuant to the authority in resolution 11 other than in accordance with an acquisition, or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding twelve-month period, and is disclosed in the announcement of the allotment.

In addition, the Directors also confirm that in accordance with the Statement of Principles, they do not intend to issue shares for cash representing more than 10% of the Company's issued ordinary share capital in any rolling three-year period other than to existing Shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, unless Shareholders have been notified and consulted in advance.

The Directors have no present intention to exercise the authority conferred by these resolutions.

### **Resolution 12 – Purchases of own shares by the Company (special resolution)**

Resolution 12 seeks authority for the Company to make market purchases of up to 30,750,000 of its own Ordinary Shares, representing approximately 10% of the Existing Share Capital less an amount to allow for the previously announced buyback programme to be continued. The price payable must not be more than 5% above the average market value of an Ordinary Share for the five Business Days before the purchase is made and, in any event, not less than 10p per share, being the nominal value of each Ordinary Share. This power will only be used for any future buyback programmes if the Directors consider that to do so would be in the best interests of Shareholders generally and would increase the earnings per share of those Ordinary Shares that are not re-purchased. Any such shares would be cancelled or held in treasury. Resolution 12 would replace a similar resolution passed at the 2023 annual general meeting of the Company held on 28 June 2023.

On 14 May 2024, the total number of options to subscribe for Ordinary Shares amounted to 29,988,576. This represented 8.88% of the Company's Existing Share Capital (excluding treasury shares). If this authority to purchase shares was exercised in full the options would represent 9.77% of the Existing Share Capital (excluding treasury shares). The Company does not have any outstanding share warrants.

### **Proxy**

If you are unable to attend the AGM, a Proxy can be appointed online at [www.signalshares.com](http://www.signalshares.com) no later than 10.00 a.m. on 21 June 2024.

Appointment of a Proxy will not prevent you from attending and voting at the AGM if you subsequently find that you are able to do so. CREST Members can cast their votes using CREST electronic proxy voting (further details of which are set out in note 10 on page 11 of the AGM Notice).

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform (further details of which are set out in note 2 on page 10 of the AGM Notice).

### **Recommendation**

**Your Directors believe that the Resolutions are in the best interests of the Company and Shareholders as a whole. Accordingly, they unanimously recommend that you vote in favour of each Resolution, as they intend to do in respect of their own beneficial holdings in the Company.**

Yours faithfully

**Andrew Goss**  
*Non-executive Chairman*  
*By order of the Board*

**Notes:**

**Appointment of proxies**

1. If you are a member of the Company at the time set out in note 14 below, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the Annual General Meeting by submitting the appointment online at [www.signalshares.com](http://www.signalshares.com) using your username and password. You can only appoint a proxy using the procedures set out in these notes.
2. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to [www.proxymity.io](http://www.proxymity.io). Your proxy must be lodged by 10.00 a.m. on 21 June 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
3. If you are unable or do not wish to vote online, please email [shareholderenquiries@linkgroup.co.uk](mailto:shareholderenquiries@linkgroup.co.uk) or you may call the Shareholder Helpline +44 (0) 371 664 0300 administered by Link Group to request a hard copy proxy card. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 09.00 and 17.30 Monday to Friday excluding public holidays in England and Wales. Hard copy proxy forms should then be returned to Link Group, PXS 1, Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL
4. If you are not a member of the Company, but you have been nominated by a member of the Company to enjoy information rights, you do not have the right to appoint any proxies.
5. A proxy does not need to be a member of the Company but must attend the Annual General Meeting to represent you. Details of how to appoint a proxy are set out online at [www.signalshares.com](http://www.signalshares.com). If you wish your proxy to speak on your behalf at the Annual General Meeting you will need to appoint your own choice of proxy (not the Chairman of the meeting) and give your instructions directly to them.
6. You may appoint more than one proxy, provided that each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share.
7. Appointment of a proxy does not preclude you from attending the Annual General Meeting and voting in person. If you have appointed a proxy and attend the Annual General Meeting in person, your proxy appointment will automatically be terminated.
8. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Annual General Meeting or any adjournment thereof.
9. All proxy appointments must be made (or received by Link if using a hard copy proxy card) no later than 10.00 a.m. on 21 June 2024 or, if the Annual General Meeting is adjourned, not less than 48 hours before the time of the adjourned meeting.

## **Appointment of proxies through CREST**

10. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting convened by this notice and any adjournment(s) thereof by utilising the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (**CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time for receipt of proxy appointments specified in note 9 above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

## **Appointment of proxy by joint members**

11. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

## **Termination of proxy appointments**

12. A Shareholder may revoke a proxy instruction but to do so will need to inform the Company in writing by sending a signed hard copy notice clearly stating their intention to revoke their proxy appointment to Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL. In the case of a Shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. A Shareholder may change a proxy instruction submitted online by logging in online at [www.signalshares.com](http://www.signalshares.com).

Any changes must be made no later than 10.00 a.m. on 21 June 2024.

## **Alteration of proxy appointments**

13. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also applies in relation to amended instructions. Any amended proxy appointment received after the relevant cut-off time will be disregarded.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

## **Entitlement to vote**

14. Only those members registered on the Company's register of members at close of business on 21 June 2024 or, if the Annual General Meeting is adjourned, at close of business two days prior to the adjourned meeting, shall be entitled to vote at the meeting. Such Shareholders may only cast votes in respect of shares held at such time. Changes to entries on the relevant register after that time shall be disregarded in determining the rights of any person to vote at the meeting.

15. If you wish to attend the meeting in person, please bring a form of identification with you.

#### **Corporate representatives**

#### **Share capital**

22. As at 14 May 2024, the Company's issued share capital comprised the Existing Share Capital. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 14 May 2024 was 337,602,150. The website referred to in note 20 includes information on the number of shares and voting rights.

#### **Nominated persons**

24. If you are a person who has been nominated under section 146 of the Companies Act 2006 to enjoy information rights (**Nominated Person**):
- You may have a right under an agreement between you and the Shareholder of the Company who has nominated you to have information rights (**Relevant Shareholder**) to be appointed or to have someone else appointed as a proxy for the meeting.
  - If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Shareholder to give instructions to the Relevant Shareholder as to the exercise of voting rights. Your main point of contact in terms of your investment in the Company remains the Relevant Shareholder (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.
